Ted Cruz @tedcruz 4 Jul 2019

(1) This speech was given in 1852, before the Civil War, when the abomination of slavery still existed. Thanks to Douglass and so many other heroes, we ended that grotesque evil and have made enormous strides to protecting the civil rights of everybody.

453 2.0K 13K

Ted Cruz @tedcruz 4 Jul 2019

(2) Douglass was not anti-American; he was, rightly and passionately, anti-slavery. Indeed, he concluded the speech as follows:

185 1.7K 12K

Ted Cruz @tedcruz 4 Jul 2019

"Allow me to say, in conclusion, notwithstanding the dark picture I have this day presented, of the state of the nation, I do not despair of this country.

56 1.7K 12K

Ted Cruz @tedcruz 4 Jul 2019

"There are forces in operation, which must inevitably work the downfall of slavery. 'The arm of the Lord is not shortened,' and the doom of slavery is certain.

Asked him politely to wear a mask. Completely refusing @chilternrailway . Says he's NOT exempt but doesn't have to/want to and it's "optional". How unbelievably selfish. Said he's fine about me tweeting his picture. It's all so awful. He knows I'm upset, but couldn't care less.

So apparently Starbucks is going to start putting needle disposal units in their restrooms.

I hate to break it to you, but if you could afford a six dollar cup of coffee you're probably not going in to use heroin.

Yes but Starbucks has deemed themselves as a "safe space" for users and literally allow them to "use" in their establishments.

Remember, you don't have to buy anything to hang out at Starbucks. That's their policy. Starbucks is full of junkies and homeless especially in the winter months up north.

Stop screaming HIPPA folks.... They literally whack people in the streets and in prison and nothing happens... Wake up...

Ted Cruz @tedcruz 4 Jul 2019

You quote a mighty and historic speech by the great abolitionist Frederick Douglass, but, without context, many modern readers will misunderstand. Two critical points:

> **Colin Kaepernick** @Kaepernick7
>
>
>
>
> "What have I, or those I represent, to do with your national independence? This Fourth of July is yours, not mine... There is not a nation on the earth guilty of practices more shocking and bloody than are the people

3.6K 7.0K 25K

Ted Cruz @tedcruz 4 Jul 2019

(1) This speech was given in 1852, before the Civil War, when the abomination of slavery still existed. Thanks to Douglass and so many other heroes, we ended that grotesque evil and have made enormous strides to protecting the civil rights of everybody.

My face when conservatives start talking to me about politics and ask about peoples political experience...

The fact that the majority of our side still doesn't get it.. POLITICIANS are the problem, stop re-electing them, and get regular folks into office.. DO IT NOW!

There seem to be some deep conspiracy theories brewing. This relates to the odd governmental obsession with universal worldwide vaccination. Frankly, I personally think that the more straightforward explanation is incompetency + fear rather than conspiracy. Occam's razor.

Not a single word in the article provides any support to justify the headline. Wapo provides literally no evidence that the hack was in any way related to Russia. The best they can do is to say that *prior* ransomware attacks were allegedly "Russia-linked."

There's so much more to this case than meets the eye America.. #LoriKlausutis

Perhaps cover ups are nothing new in the Scarborough story. That's why many Americans are unaware that a 28-year-old woman named Lori Klausutis, a staff member for the then Congressman, was found dead in Scarborough's north Florida office in 2001. A medical examiner named Dr Michael Berkland ruled it an accidental death, finding that Klausutis suffered a cardiac arrhythmia that caused her to faint and hit her head on a desk.

That's the same Dr Michael Berkland who was found to have rented a storage unit where the remains of more than 100 humans were found on August 24. From the Pensacola News Journal

> Human remains found in a storage unit in Pensacola last week were being kept in covered plastic containers, trash bags and specimen cups, the director of the Medical Examiner's Office said Tuesday.
>
> The latest revelation came as authorities continued trying to unravel why Dr Michael Berkland, a former associate medical examiner who is no longer licensed, stored the organs in the unit at Uncle Bob's Storage, 195 E. Fairfield Dr.
>
> Parts from more than 100 people — including lungs, hearts, tissue samples and 10 brains — were found on Friday in the air-conditioned unit that Berkland had rented, Medical Examiner's Office Director Jeff Martin said.
>
> "It's very bizarre," he said.

Hey @Twitter, I didn't realize my face was "sensitive content"

Ironic considering I only have 3 tweets & just filed to run for U.S. Senate only hours ago.

Was it my scars or the fact that I salute the flag? Regardless, neither are going away— and neither am I 🇺🇸

(1) This speech was given in 1852, before the Civil War, when the abomination of slavery still existed. Thanks to Douglass and so many other heroes, we ended that grotesque evil and have made enormous strides to protecting the civil rights of everybody.

(2) Douglass was not anti-American, he was, rightly and passionately, anti-slavery. Indeed, he concluded the speech as follows.

This appears to be a 302 interview conducted by the FBI San Francisco field office of Rob Placek, an old Creighton buddy of Seth Rich, who wasn't part of Seth's inner circle, but was also in the DC area.

Dated Aug 24, 2017.

SF office also had custody of his work laptop.

Today marks 5 years since the murder of Seth Rich. The press never mentions it. D.C. Police hasn't investigated it, the FBI said from day 1 they have NEVER been involved in this case (only to find out there are thousands of docs they are sitting on relative to this case)...

(2) Douglass was not anti-American, he was, rightly and passionately, anti-slavery. Indeed, he concluded the speech as follows:

185 1.8K 12K

Ted Cruz @tedcruz 4 Jul 2019

"Allow me to say, in conclusion, notwithstanding the dark picture I have this day presented, of the state of the nation, I do not despair of this country.

57 1.7K 12K

Ted Cruz @tedcruz 4 Jul 2019

"There are forces in operation, which must inevitably work the downfall of slavery. 'The arm of the Lord is not shortened,' and the doom of slavery is certain.

41 1.5K 12K

Ted Cruz @tedcruz 4 Jul 2019

"I, therefore, leave off where I began, with hope. While drawing encouragement from 'the Declaration of Independence,' the great principles it contains, and the genius of American Institutions, my spirit is also cheered by the obvious tendencies of the age."

I just noticed that convicted felon Ryan Dark White / @johnheretohelp / "Dr." Jonathan McGreevey blocked me on Twitter. Why are you scared of me, "Dr." McGreevey? And who is your handler? @FBI, @CIA, or @DNC?

I just read through the interview btw @johnheretohelp and Lin Wood. It seems hard to fathom that he could make all that up, right? Why did he state that Matt C wanted to control things and screwed up the 'tape' that you all put together to give to Devin Nunes? Need some truth

@MI SupremeCourt why are we even arguing about any of this with Judge Parker? MI own state Constitution clearly says that any one of the People can demand a STATEWIDE forensic audit in Article 2, Section 4(h). Period!

Not performing the forensic is unconstitutional and unlawful

Biden's statement on what's happening in Cuba failed to condemn Communism or Socialism.

Imagine being afraid to condemn the two most harmful ideologies because you might anger your base, who clearly now embraces those ideologies.

One of my great friends who's now a UFC Hall of Famer & a multiple time World Champ told me "Matt, I put my pants on the same way you do, one leg at a time.. don't be intimidated, & don't let ANYONE ever think they're better than you..."

People in our movement need to hear this!

The Democrats control the narrative. They can show you a burning TiresPlus and tell you it's progress. They show you a looted Target and tell you it's stunning and brave. They show you a retiree taking a selfie at the Capitol and they call it an insurrection. Messaging matters.

They are all the same, regardless of what they call themselves. They all play for the same team. Maybe a few of them have integrity, but are powerless. All talk, no action. No real action anyway. Maybe it's ultimately not up to them, it's up to us !!

They are all the same, regardless of what they call themselves. They all play for the same team. Maybe a few of them have integrity, but are powerless. All talk, no action. No real action anyway. Maybe it's ultimately not up to them, it's up to us!

If it's someone in a rural area that doesn't have reliable transportation to a store that provides copying and they also don't have the necessary equipment themselves to do it, she would be correct. But that's different from being almost impossible for rural Americans

It would be a shame if people would visit TheDCPatriot.com instead of the mainstream media puppets on both sides of the political aisle that only report RINO and DEM Narratives.. Would be a shame.. :)

Tyranny? It's social responsibility. Why am I following this? Any respect for any authority on any guideline is not "tyranny." This is why we have so many people publicly ranting about every little school decision from a snow day to a basic policy.

If it's someone in a rural area that doesn't have reliable transportation to a store that provides copying and they also don't have the necessary equipment themselves to do it, she would be correct. But that's different from being almost impossible for rural Americans

Tyranny? It's social responsibility. Why am I following this? Any respect for any authority on any guideline is not "tyranny." This is why we have so many people publicly ranting about every little school decision from a snow day to a basic policy.

Made it safely to Florida. This evening, I'm speaking in Palakta.

This is my 4th event in 5 days.

In the last week, Trich, Mara, & Don opened their homes to me. I've slept everywhere from an RV, to a bunk bed, & even cuddled w/ people's animals.

Thankful for the generosity.

C wanted to control things and screwed up the 'tape' that you all put together to give to Devin Nunes? Need some truth

1 1 4

Matt Couch @RealMattCouch · Jul 11

We didn't screw anything up, one of our guys on our team Hannibal Moot worked weeks to redact Ryan's Voice and Face... We sent it to them, they said it was too hard to understand (He's hard to understand anyways) and then we sent it to them UNREDACTED... It NEVER Checked out.

1 1

Annie Oxidant @diamondgirl2018 · Jul 11

I guess I don't understand. He said it was sent to Nunes and it was blank. It's frustrating that we all seem to want the same thing when it comes to Seth Rich. If the tape was 'hard to understand' why not continue to push the info to Nunes or someone to listen to all the evidence.

It was NEVER sent to Nunes, he's a LIAR... a pathological one... We gave it to someone who worked for Nunes when he was the head of the House Intelligence Committee in April of 2018..

This guy has NEVER provided One Audio he claims to have, or ONE SINGLE SHRED of Evidence..

@duckmansasy...

Let me get this straight...

If they come across the border, that is fine.

If they're fleeing communism by boat they will be turned away.

I guess we don't want people that want freedom, just people that want free stuff.

Anyone catching on yet?

Chad Prather how would handle the Democrats walking out and going to DC and refusing to vote on election bill? And do you agree with Governor Abbott on arresting them when they return

The US is about freedom of choice and not forcing ideologies on others. You can drink alcohol, eat bad food or smoke, all have health ramifications. Wear ur useless masks & live in fear, just don't force ur ideology onto others.

The reason Biden and the Dems haven't said or done much about the current Cuban crisis is because the Cuban government, and the system the Dems promote, are relatively similar.

They can't speak out against the Cuban government without disparaging their OWN ideology.

Luckily, a bill passed this last legislative session forces the govna' to get the legislature involved instead of ruling by fiat in the future. We successfully "somewhat" neutered this tyrant a little.

We have seen an increase in hospitalizations for the 15th day in a row, and active cases are up by 70% compared to last week. Our vaccinations have improved since last Wednesday, but it's critical that number continues to climb to protect our state.

I'm confused! I thought @Johnheretohelp was a fellow Patriot! He should explain this rhetoric!

Babydoll92196 What The FOX?! @Babydoll921961 · 33m

He did. Go look at his tweets.

1

Matt Couch @RealMattCouch · 6m

He lied, that's what he does best. None of his information has EVER checked out. It's all just an elaborate ever changing story.

He's lying when he says I withheld information. We gave his information to folks at House Intelligence, it NEVER checked out. Period.

Let me rephrase this... He has provided NO EVIDENCE... Nothing, Nada, Zilch... Not one recording.. Not one single shred of evidence.. He's a multiple time FELON.. He's changed his story a dozen times, he's a chameleon.. things you look for when investigating.. changing stories..
